Marshal's Handbook Expansion for the Kingdom of Atenveldt

This expansion replaces all prior Kingdom of Atenveldt Marshallate Standards expansions.

Revised January 31, 2011

The Kingdom of Atenveldt will abide by the most current SCA Marshals Handbook with the following additions:

Section III. Conventions of Combat

B. Behavior on the Field

- ADD – While fighting an opponent who has been legged, the standing combatant may NOT step beyond the plane of the legged combatants hips.

Section VI. Armor Requirements

B. Helms.

1. It is *highly recommended* but not required, all helms be made of a minimum 0.0747 inch (14 gauge) steel
8. All parts of the helm that might come into contact with the wearer's head shall be padded with a minimum of ½ inch (12.7mm) of closed-cell foam. Other types/styles of foam may be used after a base layer of ½ inch (12.7mm) is utilized. Similarly, parts of the inside of the helm that might come in contact with the wearer's neck or body should be padded.

F. Hand and Wrist Armor

3. Hockey gauntlets must be covered in such a way as to hide the blatant mundane look of the glove.

G. Arm Armor

Forearm protection is *highly recommended* but not required.

Section VII. Weapons Standards

B. Single Handed Swords

1. Siloflex equivalent or rattan cored siloflex swords are NOT allowed for use in Atenveldt.
ADD – Total length of weapon shall not exceed 48 inches.

E. Rattan Spears

4. Total spear length shall not exceed 9 feet.

F. Fiberglass Spears

7. Total spear length shall not exceed 9 feet.
ADD - All fiberglass spears must have a thrusting tip with a minimum of 3 inches (76.2 mm) in diameter or cross-section. 2" thrusting tips on fiberglass spears are not allowed for use in Atenveldt.
