LADY ALICE OF CLAN
RICHARDSON
BARONIAL CHRONICLER

Words From Their Excellencies

Greetings unto the populace of the Barony of Atenveldt!

Summer is here and it is a scorcher! This August, our fighter practices are taking place at Moon Valley Park in North Phoenix. While it may be too hot for fighting, we encourage the populace to come join us for a social night at the park, or some other activity. In July we had a night of bowling when the heat was too much for fighting, and a “soft rock” (water drenched sponge) tournament for our July Court Night. We will post to social media when we plan our next outing! We will return to Encanto Park in September (please check social media for the exact day we return to Encanto).

The quest for our baronial heirs is almost finished! In this edition of the Palm Prints, Letters of Intent we received are available for you to check out. The candidates will be available to meet and talk to at our Wednesday night practices the first three weeks of September. Polling will take place virtually the week before in-person polling, with in person polling, and the announcement of our heirs, taking place at the Baronial Anniversary event on September 21st.

Please join us at the baronial business meeting on the first Thursday of each month (where we hold an in-person meeting along with internet access via Google Meets) for a behind-the-scenes view of the Barony. If you are interested in helping the barony by volunteering to be an officer, deputy officer, or an event autocrat, the business meeting is an excellent place to see how the barony runs.

If you know someone who is deserving of a baronial award, please let us know! You can find a list of baronial awards on our baronial website (at [Baronial Awards](#)), and can send award recommendations to us at coronet@baronyofatenveldt.org

Check out our progress to see which events we will be going to in the coming months!

NIKOLAUS & VALDIS
BARON AND BARONESS

Polling Information

A polling of the current paid members of the Barony of Atenveldt will be conducted on [Saturday, September 21st 2024](#) to determine their support of candidates for Baron & Baroness. A virtual poll will take place exactly one week prior to the in person polling. The virtual poll will close as the in-person polling begins.

The populace should be aware that if the first polling does not show a clear preference of the populace, a second polling may be held immediately following the closing tabulation of ballots for the first poll. Members are encouraged to plan to remain onsite to participate should a second poll be necessary.

To participate in all pollings held that day, you must be a Sustaining, Associate, or Family member who is 18 years old or older, and must receive a Southwind or have an SCA membership in a Zip Code belonging to the Barony of Atenveldt.

1. Current paid memberships will be verified on a membership list at the polling site, or you may present an online membership renewal dated after the date the membership list was generated by the Milpitas Registry. The Kingdom Seneschal recommends you bring proof of membership with you to ensure participation in the poll.

2. You must reside in zip codes belonging to the Barony of Atenveldt, this will be verified on the membership list at the polling site.

3. NOTE: Paid members who play in the Barony of Atenveldt, but do not reside in the zip codes belonging to the Barony, may not cast ballots. However, they are encouraged to make their views on candidates known to the Crown by sending personal letters to the Crown & Kingdom Seneschal expressing their candidate selections & preferences. The Crown will consider such letters when reviewing the polling results.

4. You must be 18 years old or older; present a picture ID at the polling site that shows your date of birth or age.

**** SPECIAL ZIP CODE EXCEPTION ****

If you DO NOT HAVE a membership address in a zip code assigned to the Barony of Atenveldt, but your membership is current and in a zip code in metropolitan Phoenix, you will be asked to sign a Pledge Form before you can receive a ballot. The Pledge Form shows your agreement with this statement:

“I consider myself a member of the populace of the Barony of Barony of Atenveldt, and promise the Crown of Atenveldt that I will not cast a ballot in any Pollings held in the Barony of Sun Dragon or the Barony of Twin Moons for 3 years following the date of this polling.”

A list of the members who sign this Pledge Form will be kept by the Kingdom Seneschal's office, and by the Seneschals of the three Baronies in the Phoenix metropolitan area. After signing the Pledge Form, you will be given a different color ballot to indicate your preference for Baron and Baroness.

Questions about these guidelines should be directed to the Kingdom Seneschal at
Seneschal@Atenveldt.org

A Letter of Intent

Unto Your Royal Majesties, Baldric and Țürrem, the Kingdom Seneschal, Master Edward Țarrison, Your Excellencies of the Barony of Atenveldt Nikolaus and Valdis, and the Esteemed Populace of the Barony of Atenveldt do we, Ustat Ra'id ibn al-Za'rur (Master Ritchyrd McUath) and Mistress Morgaine Rhys ap Gruffydd send our warmest greetings. Please accept this letter as it expresses our humble intention to serve the Barony of Atenveldt as the Baron and Baroness. We understand, should this letter be accepted, that it will be published in the Barony of Atenveldt's Palm Prints newsletter for the populace to view.

We are both current paid members of the Society, over 18 years old, and both of our respective memberships are within zip codes belonging to the Barony of Atenveldt. We understand the various responsibilities of the Coronet. We are both prepared to swear fealty to the Crown and act as the liaison between the populace and the Crown. We are wishing to be installed with a 3-year warrant in the position.

Ra'id has been a member of the Barony of Atenveldt since 1998 and Morgaine joined the Barony in 1990. We have both held a variety of offices and court positions in the barony as well as the kingdom, and have supported the former Coronets of this Barony for many years. Additionally Raid has held a number of baronial champion positions, we have both served on Royal courts, and we each have extensive experience working on various parts of Estrella War and War of the Phoenix.

We each began in the SCA as young people, and this barony has been a family for us, helping to shape the adults we have become. We would very much like to give back to the barony that has given us so much. We have a strong understanding of our Barony's traditions, but we also want to focus on the future, enriching the barony and its populace in all facets. Morgaine would like to use her experience as an administrator to lead the barony in a more front facing role. Ra'id desires to focus his energy on strengthening the barony and cheerleading the populace. Both of us are hoping to lead the barony in such a way that all the populace, both new and experienced, feel supported and valued in their various interests and pursuits. We look forward to the opportunity to work with the Crown and Coronets from our fellow baronies as well as hearing council from those that have served before to help strengthen the Kingdom as a whole.

Our plans for the future of the barony include promoting those ancient traditions that mean so much to us and that set the Barony apart from all others. We also hope to embrace new traditions that will serve the populace in the future. We will have a major focus on recruiting as well as retention. Our goal is to make the Barony of Atenveldt a fun place to hang out, and feel like a home for everyone at both events and local activities. Our special focus will be on encouraging the next generation to become the future of the barony. We will also use our experience to provide guidance and support to the baronial officer corps, having ourselves served in a great many of those officer roles. We would like to encourage and support all activities within our barony, and encourage people to try new things. In addition to making the barony a fun place to be, we want to make the baronial offices, champions roles and activities enjoyable things to do. We like to lead by example and want to help the populace find joy in the SCA.

Ustat Ra'id ibn al-Za'rur
(Master Ritchyrd McUath)

Mistress Morgaine Rhys ap Gruffydd

Nobilitatis, honorem, et gaudium vite

The Baronial Motto is “Nobilitatis, honorem, et gaudium vite”. The direct translation is “Nobility, honor, and Joy of Life” To Us, The Dream, Game, or Society is all about the magic. The main components of that magic are being noble, living and acting with honor, and last, but most definitely not least, fun. Since the Romans did not have a direct translation of the word “fun”, “the joy of life” seemed to fit well.
