## Meetings

Our populace/officers meetings are held every third Thursday of the month at Thorpe Park Community Center in Flagstaff from 6:30p to 8:00p. Thorpe Park Community Center is located in Flagstaff at 245 N. Thorpe Rd.

Our meetings usually cover discussion of business items, plans for upcoming events, and occasionally a dance practice if time permits.

We usually go out for pizza after the meeting. Please feel free to join us!

## OUR WORDS

Greetings All!

In the last Higher Word we reminded everyone that Highlands War 18 was completed just one week ago. Now it's time for our 16<sup>th</sup> birthday party! Too Darned Hot.

As always, your friends and Baronial members will be toiling away just days before Too Hot. Our autocrats are planning the event with enough infrastructures – but no more, so we can all have a great time! Still there are things to be done. If you get there Thursday (or earlier), please volunteer to help in security, setup, gate, or any other thing that you can do to make our event fun. And please don't forget to pay your site fee once troll is set up! Insurance, porta potties, dumpsters, etc. do not come for free! **Too Darn Hot** has been planned by your event Stewards: Viscountess Diana and Lord Chavez, with help from many of you.

One of the things that we like most about our “smaller” events is the amount of FUN that we seem to have. Part of that comes from bringing our own fun with us. The rest comes from the incredible sense of belonging and family that is a hallmark of Ered Sûl – no matter how close or how far you live away from Flagstaff.

Fire restrictions are once again in effect at this year's Too Darn Hot as we write these words. PLEASE obey the National Forest Service fire restrictions! Camp fires using propane firepits were permitted after years of work with the Forest Service to demonstrate their safety. The National Forest has a strict smoking policy requiring that smoking is ONLY allowed in vehicles. As you speak with friends, please help them understand that we camp on Forest Land under a permit that requires us all to obey fire restrictions – failure to do so could cost us the use of the land in the future.

Once again, We will be traveling to Pennsic War in Pennsylvania at the end of the month. His Excellency is land grab agent for the Kingdom of Atenveldt. We'll be starting to promote next year's Highlands War at Pennsic to key people in several of the combat arts.

Don't forget that Ered Sûl is hosting **Fall Crown** this year. If you are an eligible fighter, please enter the Crown List – this is a rare opportunity for us all. Although Kingdom is providing most of the infrastructure, please offer your assistance to Lady Anna and Lady Violet, the event co-stewards.

### **Baronial Officers –**

Last year, We told those assembled at several meetings/events that We will be publishing office want ads when the current office holder's warrant is due to expire. We are required by Kingdom Law to advertise these positions. It is Our policy to accept an officer's extension for one year beyond the current expiration of their warrant. We want to broaden our office corps including Deputies and Greater and Lesser Officers. We hope that publishing these “job descriptions” will help baronial members to better understand what is involved in each office.

Several of the warrants for Baronial Officer Positions will be expiring in the next few months. Some officers will retire, others will stay. Thegn Gunnar, Our current A&S Champion, has graciously accepted the position of Interim A&S Officer. He has agreed to serve for a year as A&S Officer, but to make everything conform to Kingdom regulations the position must be advertised.

We have spoken with Lady Katherine the Tapester, who must vacate the Deputy A&S position due to real world work requirements. We wish to thank her for all of her hard work in that position, especially for the classes that she taught and for all the times that she and Curlew opened their home for A&S gatherings. We hope that, as time permits, she may be able to once again increase her activity level. We would like to find at least two A&S Deputies to help lighten the load for all involved and make it easier to cover various events.

## **Position: Barony of Ered Sûl A&S Officer**

**Requirements:** The A&S Officer is a very public position. It requires a person who is outgoing, and comfortable dealing with people with all levels of A&S skill. Communication is an integral part of the A&S officer's job. Due to the extensive distances and time involved in travel within both the Barony and the Northern A&S community, internet competency and access is mandatory. The officer must check their SCA-specific email on a daily basis – including relevant Yahoo groups and Facebook. The Barony has an official Baronial list on Yahoo, and three unofficial lists on Facebook – one devoted specifically to A&S in Northern Atenveldt. If the officer is unable to check their email due to technological issues such as email outages, or vacation, they must contact the Seneschal, their deputies, and the Baron and Baroness, to inform them that their job needs to be “covered” until they can be back online.

In addition to the Baronial A&S presence online, the A&S officer is responsible for arranging for at least one formal A&S event per month. The Barony rents a room at the Thorpe Community Center on the second Tuesday of every month. It can be used for either a formal class, or a general project night. The A&S officer is responsible for making sure that either they or some other responsible individual is present for this event. In addition to the A&S night, the A&S officer should arrange for weekend workshops at least once every other month. The A&S officer does not need to teach these workshops, or classes offered on the A&S night. They need to recruit the teachers, or ask for help in recruiting the teachers. The officer needs to stay in contact with the Kingdom A&S Minister and make use of the Kingdom resources to bring in activities such as traveling scriptoriums and visiting teachers. The workshops can be held in either a private home or in a facility that is rented by the Barony. Arranging for the location is the A&S officer's responsibility. The information on upcoming workshops and classes should be arranged several months in advance with the details published in the monthly newsletter and broadcast on both the Yahoo and Facebook lists several times, at regular intervals (a month out, two weeks out, a week out, and two days out) before each event.

The officer is required to send a formal A&S report detailing all of the A&S activities that are occurring in the Barony to the Kingdom A&S Minister, their deputy(ies), the Seneschal and the Baron and Baroness every month.

The Barony holds three Baronial events per year – Highland's War, Too Darn Hot, and Ered Sulabration. There should be appropriate A&S activities at each one of these events. Highlands War is the most complex of these events. It has an A&S area, with demos, and classes, all of which must be recruited, organized, scheduled, and executed. Too Darn Hot is a much more laid back event, and A&S activities there can be much more relaxed. A&S activities should exist, if only as a “hang-out” spot for crafty people. The Baronial A&S Champion is chosen at Ered Sulabration. The officer must consult with the former champion and the Baron and Baroness to arrange the A&S competition and display. In addition, if the Barony continues to hold combined practices during the year, it is the A&S officer's job to arrange appropriate A&S activities at these events – appropriate activities include, but are not limited to European Dance, Belly Dance, scriptoriums, sewing, weaving, spinning, fiber preparation, leatherwork, embroidery, cording, and banner making.

In addition to the standard A&S activities, it is the duty of the A&S officer to recruit and train deputies and their replacement.

To apply for this position you must send a letter of intent to the Seneschal, Baron, and Baroness. This letter must include your name, and contact information. In addition, if you are applying for the first time, We would like to hear your ideas for classes and workshops and your goals for this office. If you are currently holding this office, we would like an honest assessment of what sort of a job you feel you have been doing in this position, how you feel you can improve your performance, and your plans for future classes.

**Barony of Ered Sûl Herald** – Lady Lora of the Four Paws (Laura Minas) is our current baronial herald. She has expressed a desire to remain in this position, but we would like to find her a deputy (or two). Having more

than one person who understands the duties of the herald and can “cover” in the absence of the main herald is a good thing.

**Requirements:** The Herald Position is divided into three areas of responsibility – voice heraldry, court recording, and helping baronial members with heraldic and name submissions.

Voice Heraldry requires that the Herald is capable of starting, running and concluding a baronial court, and working with other baronial and kingdom heralds. The herald must keep track of the activities that are to occur during the court, control the distribution of scrolls and award medallions, and generally assist with the flow of court. The herald should be able to travel to distant events at least some of the time.

Court Recording means that the herald is supposed to report the awards that are given in court to kingdom so that the Kingdom OP may be kept current. The Herald needs to also keep an eye on the OP to make sure that Kingdom is entering the award information correctly.

Heraldic and Name Submissions are an important part of the Herald’s duty. The populace needs assistance in negotiating the rules for name and research and submission.

To apply for this position you must send a letter of intent to the Baron and Baroness. This letter must include your name, and contact information. In addition, if you are applying for the first time, We would like to hear your ideas for classes and workshops and your goals for this office. If you are currently holding this office, we would like an honest assessment of what sort of a job you feel you have been doing in this position, how you feel you can improve your performance, and your plans for the future.

The Baronial Herald (and Deputies) must have access to the unofficial Ered Sul Facebook postings and the Official Communications Channel on the Baronial Yahoo Group.

As last year, We’ll be gone until right before Crown. Continue playing! Life goes on when We aren’t there.

See you all at Too Darn Hot soon!

Baroness Eirny

### **Ren Man/Woman August 11, 2012 Barony of Sundragon**

Greetings unto the Kingdom of Atenveldt. The time has come for all ye brethren of the blade, be ye nobles or rogues, to rise up and answer the call of the premier indoor Rapier event in the kingdom. Renaissance Man/Woman time is soon upon us.

A thing never before seen occurred at the last event; for a pirate, and a Landed Noble, and an outsider has won the right to host this year's event. Who knows what cunning contests and

devious competitions might spring forth from the mind of Barony Heinrich Loescher of Mons Tonitrus? Come and find out.

Every paid member may enter one or all competitions as they wish. A champion may stand in your stead for a single competition if you are competing for Ren Man.

So the challenge goes out to all in this glorious kingdom. Send us your men and women of the Renaissance and see who will survive the day to be one among few, Renaissance Man/Woman of A.S 46.

Court is at their Excellencies whim, while competitions will run all day long. The site is dry and smoking permitted 50 feet from entrance. No pets are permitted.

Site fee is \$10 for members, \$15 for non members, youth 17 and under free.
