# Baronial Missive

Now that Spring is here and summer is not far behind, We turn Our eyes to the hot summer ahead. We will be switching to summer hours for Archery practice in May. We are also looking forward to Highlands War during the beginning of June and our very own Fabric War later that month. Look elsewhere in the newsletter, online on Our Facebook page, and for electronic communications for further details over the next few months. With summer fast approaching, there will be much to do over the next few months. We look forward to much brainstorming and idea sharing with Our Baronial family.

If you have a few moments, please take a look at the open officer positions. Anyone who has been able to attend some of the Baronial officer meetings will have an idea of how much work it takes to make this dream live...how much organization and behind the scenes work goes on...and also how easy it is to volunteer to do one little job. Please speak with Us or with any of the officers if you think you might be able to help out your chosen family by stepping into one of the many roles that are available. There is always work to be done and always fun to be had.

As with all things, time has gone by and our reign is slowly coming to an end. If you are interested in filling the shoes of the magnificent Baronesses and Barons that have come before, you will need to start thinking about that now. Before you know it letters of intent will need to be submitted for your interest in the position.

If there are other topics that you feel need addressing, please communicate those to the Seneschal and the Baroness and Baron as well and we will see if they can be added to the populace meeting or else included in a future meeting.

Yours in Service to the Dream,

Valdisa Wolff

# Words From the Crown

To the Populace of the Kingdom of Atenveldt,

It is Our great privilege and responsibility to be of Service to you. There are several priorities during Our time of Service: I) Bring the Kingdom back after the Plague, II) Reward the Populace for their hard work, III) Resurrect the Estrella War.

We anticipate attending many events, both large and small, throughout Our shared Kingdom and look towards the opportunities to mingle with you.

Yours in Service,

Mark, King

Katrina, Queen

## Gifts and Largesse

We are very blessed to have a prosperous and hardworking Kingdom with so many volunteers among Our Populace, and We can think of no better way to thank deserving individuals for their efforts than with handmade gifts. As We attend events within the Kingdom, We would like to showcase our talented artisans to the Populace by giving out handmade gifts. In addition We are traveling to large events outside the Kingdom along with the pleasure of investing new Barons and Baronesses in Our Lands, so we are always in great need of largesse. To that end, to create suitable gifts, We would ask that they meet some of the following criteria:

- Be labeled with a description and your name
- Be durable and unaffected by heat.
- Be suitable to present to the Populace of Atenveldt, including investitures of BMMT & BSD
- Be suitable to present to Crowns and Coronets of foreign lands
- Be small enough to pack and to go on a plane. This also applies to gift containers. Make multiples of the same item so that foreign Crowns may then gift them to their populace.
- **NOTE: Scented items must include an ingredients list and be packaged in sealed zip-loc bags. This will allow us to screen for allergies, prevent cross contamination of items, and maintain the condition of the largess.**

# DISCLAIMER FOR ALL EVENTS

Please note – Although the SCA complies with all applicable laws to try to ensure the health and safety of our event participants, we cannot eliminate the risk of exposure to infectious diseases during in-person events. By participating in the in-person events of the SCA, you acknowledge and accept the potential risks. You agree to take any additional steps to protect your own health and safety and those under your control as you believe to be necessary.

## COVID Indoor Mask Requirements

Greetings unto the beloved populace of Atenveldt, along with so many other of the COVID requirements being removed and our opportunities to gather in person again in full swing, Their Majesties have most graciously proclaimed that our time for indoor mask requirements can be retired and we may once again receive each other's smiles unfettered! This practice, of course, may still be observed by those who wish it, and Their Majesties do continue to ask that if you are unwell or have tested positive to remain home and keep yourself and your fellows well and rested. This change is in effect immediately. As always, I am available for questions, concerns or suggestions at [Seneschal@atenveldt.org](mailto:Seneschal@atenveldt.org)

Ever in service,

Nichelle Whitewolfe Seneschal of Atenveldt
